GROUP 3600

Assistant Commissioner for Patents
Washington, D.C. 20231

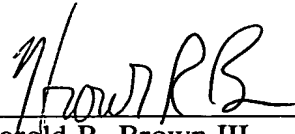

Sir:

This Communication is to confirm the subject matter of the telephone conference that was occurred between the undersigned and Examiner Semunegus on June 17, 2002. An Official Action was mailed from the U.S. Patent and Trademark Office on June 5, 2002. The Official Action was a copy of an Official Action previously mailed on July 10, 2001. Another Official Action had been mailed on November 1, 2001, but was apparently sent to an address in Mississippi and not to the address of the appointed agent below. After an interview between Examiner Semunegus and the undersigned, it was agreed that the November 1, 2001, Official Action would be remailed to the undersigned and the period for response restarted. Apparently the July 10, 2001, Official Action was inadvertently mailed instead of the November 1, 2001, Official Action. The undersigned explained the situation to Examiner Semunegus on June 17, 2002, and the Examiner sent a facsimile copy of the November 1, 2001, Official Action to the undersigned. The period for response should have been reset so that the response would be due three months from June 17, 2002, i.e., September 17, 2002, but was not. It is understood that a response is presently due on September 5, 2002.

If the Examiner is of the opinion that a telephone conference would be helpful in resolving any outstanding issues, the Examiner is urged to contact the undersigned.

Respectfully submitted,

BURNS, DOANE, SWECKER & MATHIS, L.L.P.
